

... to make an interesting presentation of science.

Remember the television series Watch Mr. Wizard (1950s) and Mr. Wizard's World (1980s)? Generations have enjoyed learning from these general science experiment shows that explained the science behind ordinary things.

A timeless, classic piece of television history.

Don Herbert, the host, once said: "My time on this Earth is getting shorter and shorter each day, but no matter how old I get, and even when I am dead, Mr. Wizard will never die".

Indeed, he lives on in episodes from the original television shows on DVDs. They may be ordered from [Mr. Wizard Studios](http://www.mrwizardstudios.com) on the internet.
